# Meet our friends

*We delight in finding the very best of the East Med and beyond when designing our menus. Here are a few of the friends we've made along the way*

## Coffee

*Balanced and smooth, our specialty coffee Kefi blend has been consciously sourced to support people and planet and roasted to taste great brewed as both espresso and filter.*

## Three Cents

*Made by bartenders for bartenders, these mixers are fizzy little legends. Whether you're crafting cocktails or just craving a killer soda, Three Cents brings the sparkle and zest your glass deserves.*

## Metaxa

*The spirit of Greece, bottled. METAXA isn't just a drink—it's a whole mood. Smooth, bold, and totally original, it stands in a category all its own. Sip it and you'll see why it's been turning heads for over a century.*

## Axia Mastiha

*Earthy, fresh, and a little bit wild—Axia is Greece's iconic Mastiha, remixed for today. Made from the rare resin of the Chios Mastiha tree, it's full of herbaceous charm and just the right amount of mystery.*

## Roots Liquors

*Rooted in tradition (pun intended), these handcrafted Greek liqueurs blend age-old herbal wisdom with modern flavour. Family recipes, wild botanicals, and 100% natural ingredients? That's the kind of legacy we raise a glass to.*

Brother Marcus began with a story of  
friends and brothers who simply wanted  
to share the feeling of warmth and  
generosity found in the communities  
of the East Med.
