EAST MED DINING

Canary Wharf

Private, Group Dining & Events

The image shows the interior of a restaurant with a warm, rustic aesthetic. Large, woven wicker pendant lights hang from a ceiling with exposed wooden beams. Several dark wooden tables are arranged throughout the space, each set with white plates, glasses, and cutlery. The chairs have a simple, curved wooden design. In the foreground, a long, light-colored sofa is partially visible, with a large green plant in a terracotta pot placed next to it. The background features a wall with built-in shelves holding various decorative items. The overall atmosphere is cozy and inviting.

Situated in the heart of Canary  
Wharf, opposite the Jubilee Line and  
a short walk from the Elizabeth Line,  
Brother Marcus Canary Wharf offers  
a range of private and group  
dining options.
